they've made it their home

"I love the near-perfect weather and great desert views. For a golfer, this is the best of all worlds."

– Tom Lehman (PGA Professional)

"Scottsdale provides a setting where the conditions for learning the game are as superb as the golf courses."

– Jim Flick (Nicklaus/Flick Game Improvement Center)

scottsdale: the game and beyond

With its idyllic weather, dramatic topography, abundant resorts and energetic nightlife, there is perhaps no more perfect setting for a golf vacation than Scottsdale, Arizona. As a testament to this, the metropolitan area is home to nearly 190 golf courses – including several ranked among the most elite in the world by both players and leading golf publications.

In addition, the city hosts some of the game's most popular competitive events, including the Phoenix Open, which draws consistently more spectators than any other golf event in the country. Scottsdale is also home to dozens of PGA, Senior PGA and LPGA Tour players, as well as the headquarters of many of the game's leading golf schools.

The variety of available courses runs the gamut from thoroughly enjoyable classic golf environments to thrilling high-stakes desert golf challenges capable of testing the skills of the game's best players. And, they all benefit from Scottsdale's inviting climate and inspiring natural beauty.

With such a diverse selection of courses, golf experiences and resort options, Scottsdale can easily accommodate the sensibilities and desires of any player. And, for the budget conscious, numerous value options are available throughout the year.

When the sun goes down, Scottsdale continues to shine. You can choose to dine down home or upscale on anything from Southwestern cuisine to the latest wave in international fusion. With a wealth of more than 600 restaurants that includes both award-winning eateries and off-the-beaten-path gems, you'll always have plenty of choices, whether you're in the mood for a hearty steak or a new culinary delight.

Scottsdale pleases many tastes in the realm of entertainment, too. When it comes to live music, you can enjoy country western, rock or jazz in some of the hottest venues found anywhere. Perhaps you'd like to go club hopping, take in a theater performance, or simply relax with friends over refreshments and look forward to the next day on the golf course. Whatever you decide, Scottsdale will prove ideal as it has for golfers and other discerning vacationers the world over.

spas

Recognized the world over as a premier spa and golf destination, Scottsdale offers a variety of spas featuring treatments tailored specifically to the golfer. Designed to enhance performance by getting the entire body and mind involved in the game, golf-oriented massages and treatments combine spa and sport to make any golf vacation complete. Golf massages are ideal for both pre-game conditioning and post-game soreness, and a training session with an exercise therapist can target postural misalignment and imbalances affecting stance and swing.
